

KyooBe is a young and growing technology company to **empower next-generation pharmaceutical manufacturing**. KyooBe's growing technological pipeline needs experts in several different scientific fields, from engineering to Industrial-IoT. Our foundation is strongly connected to Bausch+Ströbel Maschinenfabrik Ilshofen GmbH+Co. KG, a globally trusted partner for automation solution in pharmaceutical industry.

We are looking for an experienced engineer ready to tackle challenging automation and robotics projects. We are looking for you in our interdisciplinary team as a

## Development Engineer / Mechanical Engineer (m/f/d)

Full-time | Unlimited contract | Stuttgart / Leinfelden-Echterdingen | 25.01.2021

### Your tasks & role

- Independent conception, development, and documentation of innovative mechanical systems ready for production.
- Heading complex mechanical subsystems.
- Implementation of aseptic interfaces & hygienic design.
- Guide an agile innovation process based on mockups, testing and a strong customer interaction.
- Co-development of the next generation of pharmaceutical robotics within a highly interdisciplinary innovation team

### Your profile & skills

- A university degree (preferably Masters) in mechanical or automation engineering.
- At least 5 years of experience in the development of complex systems for industrial applications
- Strong expertise with 3D CAD software (preferable SIEMENS NX) based upon an expressive track record of independent conception, design and calculation of mechanical parts, assemblies, and modules for complex mechanical systems.
- Ability for structuring and documentation of manufacturing parts and assemblies in line with regulations, standards, and norms (preferable pharmaceutical industry)
- Highly sophisticated programming skills

### Our mindset & what you can expect

At KyooBe, you can make a difference. That is why you take full responsibility right from the start. If you love the spirit of an ambitious start up and a flat and agile organization, join our team. If you have an open mindset that allows you to always think out of the box for visionary robotics and automation – take the chance and shape the pharmaceutical future together with us. More information: [www.kyoobe.tech/career](http://www.kyoobe.tech/career).

**Knowledge or expertise of pharmaceutical processes or industry is not a prerequisite.**

KyooBe is an equal opportunity employer. We evaluate qualified applicants without regard to race, color, religion, sex, national origin, disability, age and other legally protected characteristics.

### Apply now!
