

KyooBe is a young and growing technology company to **empower next-generation pharmaceutical manufacturing**. KyooBe's growing technological pipeline needs experts in several different scientific fields, from engineering to Industrial-IoT. Our foundation is strongly connected to Bausch+Ströbel Maschinenfabrik Ilshofen GmbH+Co. KG, a globally trusted partner for automation solution in pharmaceutical industry.

We are looking for an experienced software engineer ready to tackle challenging automation and robotics projects. We are looking for you in our interdisciplinary team as a

Software Solution Developer for Mechatronic and Robotic Systems (m/f/d)

Full-time | Unlimited contract | Stuttgart / Leinfelden-Echterdingen | 25.01.2021

Your tasks & role

- Independent conception, and implementation of major software projects.
- Heading complex software solutions and subsystems.
- Guide an agile development and innovation process based on software mockups, testing and a strong customer interaction.
- Co-development of the next generation of pharmaceutical robotics within a highly interdisciplinary innovation team

Your profile & skills

- A university degree (preferably Masters, PhD is a plus) in computer or electrical engineering.
- Demonstrable experience in the development of major software projects.
- Profound expertise in the development of software functions for embedded systems, Edge IoT devices and interfaces as well as industrial automation control systems.
- Ability and willingness for the conception and implementation of Minimum Viable Product
- Profound knowledge of the programming languages C++, Python, JAVA

Our mindset & what you can expect

At KyooBe, you can make a difference. That is why you take full responsibility right from the start. If you love the spirit of an ambitious start up and a flat and agile organization, join our team. If you have an open mindset that allows you to always think out of the box for visionary robotics and automation – take the chance and shape the pharmaceutical future together with us. More information: www.kyooobe.tech/career.

Knowledge or expertise of pharmaceutical processes or industry is not a prerequisite.

KyooBe is an equal opportunity employer. We evaluate qualified applicants without regard to race, color, religion, sex, national origin, disability, age and other legally protected characteristics.
