

KyooBe is a young and growing technology company working to empower next-generation pharmaceutical manufacturing. KyooBe's growing technological pipeline needs experts in several different scientific fields, from engineering to Industrial-IoT. Our foundation is strongly connected to Bausch+Ströbel Maschinenfabrik Ilshofen GmbH+Co.KG, a globally trusted partner for automation solution in pharmaceutical industry.

We are looking for an experienced engineering expert ready to tackle challenging technical projects. We are looking for you in our interdisciplinary team as a Entwicklungsingenieur / Konstrukteur.

Entwicklungsingenieur / Konstrukteur (m/f/d)

Full-time | Unlimited contract | Stuttgart / Leinfelden-Echterdingen | 01.07.2023

Your tasks & role

- Joint development of a new generation of pharmaceutical robotics and production systems.
- Development of concepts in an interdisciplinary innovation team.
- Design of intelligent interfaces / airlock systems for clean room technology.
- Production-ready design and documentation.
- Handling of complex mechanical systems.
- Independent implementation of subsystems in the pharmaceutical field of requirements.

Your profile & skills

- Completed engineering studies in mechanical engineering or a comparable course of study.
- Curious and interested in breaking new ground.
- Ideally 2-3 years of professional experience in the development of complex systems in an industrial environment.
- Very good knowledge in CAD design (Siemens NX, Solidworks, Creo or comparable)
- Sound knowledge in conception, design and calculation of mechanical parts, assemblies, and modules for complex mechanical systems.
- A "doer" mindset & creative problem-solving skill.

Our mindset & what you can expect.

At KyooBe, you can make a difference. That is why you take full responsibility right from the start. If you love the spirit of an ambitious start up and a flat and agile organization, join our team. If you have an open mindset that allows you to always think out of the box for visionary robotics and automation - take the chance and shape the pharmaceutical future together with us.

Knowledge or expertise of pharmaceutical processes or industry is not a prerequisite.

KyooBe is an equal opportunity employer. We evaluate qualified applicants without regard to race, colour, religion, sex, national origin, disability, age, and other legally protected characteristics.
