

KyooBe is a young and growing technology company working to empower next-generation pharmaceutical manufacturing. KyooBe's growing technological pipeline needs experts in several different scientific fields, from engineering to Industrial-IoT. Our foundation is strongly connected to Bausch+Ströbel Maschinenfabrik Ilshofen GmbH+Co.KG, a globally trusted partner for automation solution in pharmaceutical industry.

We are looking for an experienced Engineer, who is ready to tackle challenging projects to help deliver better healthcare for everyone. We are looking for you to join our interdisciplinary team as a

Automatisierungsingenieur / System Engineer (m/f/d)

Full-time | Unlimited contract | Stuttgart / Leinfelden-Echterdingen | 01.07.2023

Your tasks & role

- Joint development of a new generation of pharmaceutical robotics and production systems
- Development of a control system for our adaptive production platform
- Development and implementation of programming for PLC and interfaces to higher-level systems
- Implementation of process controls for test rigs and plants
- Develop and test our innovative products in an agile development environment via mockups
- Optimizing process controls and workflows

Your profile & skills

- University degree in electrical engineering, automation engineering or a comparable course of study
- Ideally 2 years of experience in the development of control systems in an industrial environment
- Profound knowledge of automation technology
- Experience in the use of tools for the implementation of control systems (e.g. Siemens TIA Portal, EPLAN)
- Very good programming skills (PLC), Network Communication Ethernet (TCP/UDP), fieldbus systems such as Profibus, ProfiNet, Modbus or similar
- Knowledge & experience in Serial Communication (RS232, RS485), C/C++ and Embedded System is an advantage

Our mindset & what you can expect.

At KyooBe, you can make a difference. That is why you take full responsibility right from the start. If you love the spirit of an ambitious start up and a flat and agile organization, join our team. If you have an open mindset that allows you to always think out of the box for visionary robotics and automation - take the chance and shape the pharmaceutical future together with us.

Knowledge or expertise of pharmaceutical processes or industry is not a prerequisite.

KyooBe is an equal opportunity employer. We evaluate qualified applicants without regard to race, colour, religion, sex, national origin, disability, age, and other legally protected characteristics.
