

KyooBe is a young evolving technology company working to empower next-generation pharmaceutical manufacturing. KyooBe's growing technological pipeline needs experts in several different scientific fields, from engineering to Industrial-IoT. Our foundation is strongly connected to Bausch+Ströbel SE+Co.KG, a globally trusted partner for automation solution in pharmaceutical industry.

We are interested in welcoming new talents into our young, dynamic and interdisciplinary team. Join our innovative spirit in the Stuttgart region and apply now!

Automation/Mechatronic Engineer (m/f/d)

40 hours per week | unlimited contract | Stuttgart / Leinfelden-Echterdingen | 23.10.2024

Your tasks & role

- Design and implementation of mechatronic systems using PLC and micro-controllers
- Control and feedback control loop system for pressure, flow-rate and temperature using PID
- Document your work professionally and implement automated systems based on process descriptions
- Design and setup of machinery in correspondence with regulations (CE, UL)
- Proactive collaboration in an interdisciplinary team of mechanics, electrotechnicians and biotechnicians.
- Setup of prototypes and test setups

Your profile & skills

- academic degree in Mechatronics, Electronics, Informatics or Automation engineering
- 3+ years of work experience in Process development and automation
- Profound knowledge and practical skills in PLC and micro-controller programming
- Experienced in fluid control and motion control.
- Familiar with integrating a wide range of sensors and communication interfaces (e.g. Modbus, I2C, SPI)
- Fluent in German and English
- Ability to work effectively in an agile work-environment in an interdisciplinary team.

Our mindset & what you can expect.

At KyooBe, you can make a difference. That is why you take full responsibility right from the start. If you love the spirit of an ambitious start up and a flat and agile organization, join our team. If you have an open mindset that allows you to always think out of the box for visionary robotics and automation - take the chance and shape the pharmaceutical future together with us.

Knowledge or expertise of pharmaceutical processes or industry is not a prerequisite.

KyooBe is an equal opportunity employer. We evaluate qualified applicants without regard to race, colour, religion, sex, national origin, disability, age, and other legally protected characteristics.
